N° 03 THE *stance.*

// POSITION
ONE PROMISE

Bird's Eye View Project builds and funds long-term programs for veterans and first responders. We don't sit behind desks writing checks. We jump. We train. We deploy. Then we fund the real work through proven partners.

WE ARE *built* FOR THE FIGHT.

WE MEASURE WHAT OTHERS PROMISE.

WE HONOR THE COST. *We don't soften it.*

NOT FOR EVERYONE. *Right for the right.*

N° 04

LOCKUPS.

Two master lockups. One for light surfaces, one for dark. Never alter proportions or colors.

**HORIZONTAL • BLACK**

`img/brand/logo-horizontal-black.svg`

Header on bone surfaces. Default brand lockup for every light page.

**HORIZONTAL • WHITE**

`img/brand/logo-horizontal-white.svg`

Footer and any dark surface. Solid white on ink. Never tint.

N° 05

THE *mark.*

The feather+eye icon stands alone where the lockup won't fit — favicons, social avatars, the band corner mark. It uses two fills by default (orange feather + ink eye), but collapses to **single-color ink** on orange surfaces so the full silhouette reads.

Controlled via `--feather-fill` and `--eye-fill` custom properties.
Inherits cleanly across `<use>` boundaries in every modern browser.

// DON'TS

Don't recolor the feather outside the brand palette.

Don't stretch or skew the lockup. Aspect is fixed.

Don't place the lockup over a busy photo without a scrim.

N° 06

PALETTE.

Four-color core. Two surfaces, two accents. Hex codes pulled verbatim from styles.css :root — the only source of truth.

VOICE.

Six rules. One stance. Name what we stand for. Let the wrong people walk away.

// RULE 01

NEVER APOLOGIZE.

No “any amount helps” or “if you have a minute.” The ask is what it is.

Fund a warrior. \$15,000. \$0 to the accepted.

// RULE 02

NOT FOR EVERYONE.

The filter line above the fold. It pulls the right people in by letting the wrong ones leave.

Not talk therapy. Not a retreat. Not for everyone.

// RULE 03

PERIODS, NOT “AND”.

Lists of vows, not a brochure of features.

Treatment. Biomarkers. Training. Community.

// RULE 04

NUMBERS ARE COMMITMENTS.

Not features. Every number names a contract the brand keeps.

6 months. 50 max. \$15,000. \$0 to the operator.

// RULE 05

THREE AUDIENCES. ONE STANDARD.

Operator, donor, partner. All three commit in their own way.

Operators apply. Donors fund a year. Partners stand on the line.

// RULE 06

ONE CTA PER SECTION.

Three buttons only in the hero and the final block. Every other section does one thing.
